Become a Community Recycling Champion!

The 'Recycle for your Community' team is looking for volunteers to help run recycling information road shows and events in your local area, letting residents know how to recycle more and waste less.

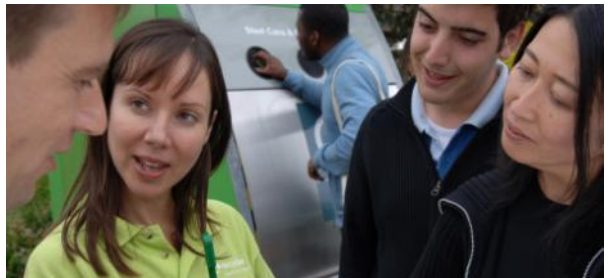

Are you talkative and enthusiastic about green issues? Could you spare a few hours a month to help out? Join a group of like-minded fellow residents championing recycling and waste reduction in your area—attend community events with the team, take part in providing valuable information for the public and make a real difference!

Get involved: contact Sarah Mills on 07736 783975 or sarah.mills@wastewatch.org.uk.

No previous experience necessary; full training is provided. Lunch and travel expenses are reimbursed, and other benefits include regular socials and ongoing skills training opportunities.
